

## Tournament Structure and Rules

- Each team has to play a minimum of 3 matches to qualify for the 2nd round. The 2nd round will be of 2 matches.
- After the first 3 matches the top 12 from each group, that will be counted on the basis of points, will be selected for the next round.
- Teams which qualify the first round (of 3 matches) have to play the next round (of 2 matches) to qualify for the final match.
- Again the **final round** will be of 2 matches and after the 2 matches the team with most points will be selected as winner followed by other teams.
- **Most kills prize** will be **counted** from the **very beginning** of the tournament and the individual with the highest kill in the **entire tournament** will be awarded .
- There can be no exchange of players in a team after 1st round of the tournament.

## In-game rules:-

1. Change in the file system or any use of hacks etc. by the participants directly or indirectly will be considered as cheating and the whole team will be disqualified directly and that lobby will be restarted.
2. For any technical or network issues such as lags or other bugs the committee will not be responsible. If the problem continues with **half of the server** then the game will be restarted .
3. The game will be started on time and hence each team are requested to join the lobby in their respective slots before 30 mins of the given time.
4. For any matter the **Committee decision will be final decision.**

## Joining procedure:-
